

## Nikkalite™ Conspicuity Tape

Nikkalite™ Conspicuity tape exceeds all requirements for reflectivity, has a warranty of 7 years, and is DOT-C2 compliant. It is easy to handle, flexible enough to go around corners, and resists chipping and cracking. It comes in 7" white / 11" red x 50 Yard rolls.

Item# 96515TC (7" White / 11" Red)

Features	Nikkalite Crystal Grade Conspicuity Tape
Manufacturer's Warranty	7 Years, under normal surface conditions
Durability	Polycarbonate film with acrylic film surface protection
Construction	Single Ply - no open cells, 0.012" thin
Impact Strength	Withstands the steel ball drop impact test with no effect to reflectivity
Adhesion	100% of surface area covered with high tack pressure adhesive
Orientation Variation/Wide Angularity	Reflects uniformly at all orientation angles
Candlepower (Brightness)	Minimum 250 CPL, per Federal Standards*
Colors	White and Red ( 6"/6" and 7"/11 )
Red Stripes	Printed under the top layer, to protect it from UV and solvents
Characteristics	Easy to handle, flexible and resists chipping and cracking
